Undergraduate Research Journal

Faculty-Instructor Checklist

Name of student author: _____

Title of research paper: _____

Academic area of research: _____

Name of signing instructor: _____

This signing instructor may be an IUSB professor, faculty advisor, or an instructor in the area of research from which the student-author's submission originates.

To be eligible for consideration, the following requirements must be followed:

- The paper is 5-20 pages (of body text), double-spaced, 12 point, Times New Roman
- All references properly cited in the style most befitting to the field the paper's topic
- Student -author was enrolled as an undergraduate at IUSB while conducting research
- Contains original research or innovative interpretation/expansion of others' research
- This is not a review paper
- This paper has some appeal to a general audience

If IRB approval was required, please attach all approval documents, and write the approval number here: _____

Faculty-Instructor signature: _____

By signing, this staffer attests to having verified/agreed that these requirements have been met by the student-author's intended submission. Please return the completed document to the student-author, who must then deliver it, the entire research manuscript, a brief abstract, and contact information electronically to iusb.urj.editor@gmail.com by February 1st at 11:59 p.m.
